Nosy Sakatia, B.P. 272 Nosy Be, Madagascar

About

Sakatia Lodge is located on Nosy Sakatia, a small island west of Nosy Be, Madagascar. A beautiful retreat away from more touristic areas, the lodge offers tranquility of the beautiful beaches, friendly wild lemurs, chameleons and a sense of true detachment. Several cozy bungalows are hidden in the hand crafted gardens and delicious meals will surprise most demanding palates. Snorkeling and scuba diving is unforgettable. June to September we have humpback whale season, while September to November you can spot and snorkel with whale sharks. Nosy Sakatia has a newly established turtle protected zone, right in front of the lodge. At high tide one can count 10-12 of them within the area.

Scuba Diving & Snorkelling

Coral garden is accessible straight from the beach, or you are always welcome to join scuba diving team for more in-depth exploration. Dive center offers boat trips to further reefs and spoils experienced divers with night ultra-violet (fluo) dives. Coral reef and fish that glows at night is certainly an unforgettable experience. Our passionate team of attentive guides offers NAUI training courses and marine educational programs.

Turtle Protected Zone right in front of our beach offers an opportunity to spot giant green turtles peacefully grazing on sea grass fields. Join our efforts in identifying individuals and building turtle database of Sakatia Island.

Restaurant & Bar

Breakfasts and dinners are served in the restaurant areas. We offer a rich fulfilling breakfast to start your day suitable for all habits. Fresh fruit juices, cereals, morning cakes, eggs cooked to your liking, home made yogurt and other delights. For dinner our kitchen thrives to spoil guest with three course menus.

We cook for you a different meal every evening taking in account all dietary and allergy requirements. You will be surprised with our state of art dishes and high class deserts. We stongly recommend booking half-board meal plan in advance. During lunch time an extensive snack menu is available at the bar.

If you wish to try local cousine we can help you to organise a dinner in one of the village houses on the beach, when local ladies will cook for you Malagasy delights.

Our fully licensed bar is open all day. We serve a variety of cocktails, wine, beer and strong spirits. Please note that corkage fee applies if you bring your own drinks. We certainly do have an ice machine at the bar, but it is not possible to supply ice to the rooms.

Need to Know

Electricity: Sakatia Island doesn't have grid electricity supply. We operate on generator power. Our generators are hidden in a sound-proof room and you wouldn't even realise when they are on or off. However you need to be aware that there is no electricity in the bungalows from 2am till 9am in the morning and from 2pm till 5pm in the afternoon.

Water: our small island has limited supply of spring water, so we kindly ask guests to be mindful when using showers.

Wi-Fi is available everywhere on the territory, in the bungalows, at the bar and on the beach in front of the lodge. The speed is not limited by us, but normally it is not suitable for streaming videos or Netflix. Browsing, video calls and audio streaming should not encounter any problems.
